# LINDEN LEAVES

## footcare

Developed to care for your hardworking feet with the benefits of essential oils, plant derived exfoliants and natural moisturisers, and infused with an invigorating blend of cucumber, sage and lemongrass to inhibit bacteria, refresh and revive.

### foot massage cream

A rich blend of pure grapeseed oil, cocoa butter, shea butter and beeswax for long lasting, nourishing hydration, with essential oils of sage and lemongrass to freshen and revive and cucumber extract to soothe and refresh. Formulated for optimum richness, to soften and improve skin condition, promote circulation and restore moisture balance to weary feet. Improve skin condition by massaging regularly into feet and other dry areas such as elbows and knees.

### foot soak

A moisture rich, skin softening soak to relax your tired feet, soften the skin and prepare your feet prior to an exfoliating scrub, foot massage or pedicure. Linden Leaves footsoak turns Cleopatra-inspired milky white once added to warm water. A relaxing way to end the day, or pick yourself up before a night out - there's nothing like a foot soak to cheer up weary feet! Simply pour into a foot basin, add warm water and tired feet.

### footcare pamper pack

The complete footcare package including Linden Leaves foot soak, foot scrub, foot massage cream and footcare reviver, together with a pair of natural cotton booties for overnight hydration therapy, all zipped up in a practical Linden Leaves natural cotton toilet bag.

### foot scrub

Tiny exfoliating grains of natural pumice and ground apricot seed, combined with the essential oils of lemongrass to freshen and revive, and moisture replenishing grapeseed oil, shea butter and cocoa butter make this foot scrub highly effective at removing dry skin, leaving your feet soft, smooth and rejuvenated. Massage into warm, soaked feet to remove dry skin and aid circulation. Rinse feet before applying foot cream.

### foot reviver

A cooling, revitalising foot spritzer formulated with the essential oils of sage and lemongrass to stimulate circulation, inhibit bacteria and refresh and revive weary feet on the go. Ideal for hot weather which can cause feet to swell, during long periods of standing and as a refreshing pick-me-up whilst travelling. The 85ml size meets airline liquid regulations for inflight foot refreshment. May also be used as a natural deterrent to biting insects.

### footspa minikit

A small size boxed footspa set containing a foot scrub and foot massage cream, together with an exfoliating foot stone. Ideal as a gift for a busy friend or a little treat to pamper your own feet.
