LINDEN LEAVES

herbalist

Natural balanced skincare formulated with pure ingredients which combine the benefits of nature and science to nourish the skin and nurture the soul.

- Suitable for all skin types including sensitive skin
- Unisex, free of synthetic colour, not tested on animals

daily facial moisture

Formulated with nature's aid to hydrate, nourish and protect facial skin from harmful environmental stresses. With comfrey extract to provide skin nutrition and promote cell regeneration, aloe vera to moisturise, soothe and minimise irritation, sesame oil rich in essential fatty acids, calendula oil to speed healing and for its antiseptic properties, essential oil of neroli to brighten and improve skin elasticity, and vitamin C for its anti-oxidant properties. Suitable for sensitive skin.

cream cleanser

Formulated with nature's aid for gentle daily cleansing of facial skin. With marshmallow root extract for its emollient, skin softening properties, aloe vera to hydrate and minimize irritation, chamomile essential oil to soothe, reduce puffiness and improve skin tone, sweet almond oil to moisturise, clary sage essential oil for its regenerative, balancing properties, and lavender essential oil to cleanse, heal and help protect against infection. Suitable for dry or sensitive skin.

toning reviver

Formulated with nature's aid to tone and revive facial skin. With witch hazel to cool and tone, chamomile extract for its anti-inflammatory soothing properties, fennel extract to rejuvenate, balm mint to nourish and soften and provide relief for inflamed skin, hops extract for its astringent properties, mistletoe extract to stimulate the immune system, matricaria extract for its anti-irritant properties and yarrow extract to condition and soothe.

facial care pack

A trial or travel sized facial care pack including three 30ml bottles of herbalist cream cleanser, toning reviver and daily facial moisture with two spatulas for hygiene and ease of use.

exfoliating facial wash

A fresh facial wash. Formulated with a blend of finely ground apricot kernel to exfoliate and remove dry skin, aloe vera to hydrate and minimise irritation, chamomile extract to soothe and reduce puffiness, balm mint to nourish and provide relief for inflamed skin, cucumber extract for its emollient properties and tangerine to help tone and clear congested skin, and reduce scarring and spots.

clay cleansing facial masque

A natural cleansing masque formulated to restore balance and cleanse impurities from the skin. Contains green tea extract for its anti-oxidant properties, comfrey extract to provide skin nutrition and promote cell regeneration, fennel oil to rejuvenate tired skin, anise oil to prohibit bacteria and calm the nervous system, manuka oil to aid healing and normalise skin condition and kaolin to purify and absorb excess oils.

moisture replenishing facial wash

A hydrating gel masque. Formulated with a blend of witch hazel to cool and tone, green tea extract for its anti-oxidant properties, chamomile extract to soothe and reduce puffiness, comfrey extract to promote cell regeneration, fennel oil to rejuvenate, anise oil to prohibit bacteria and to calm the nervous system and manuka oil to aid healing and to normalise skin condition. Ideal for dry combination skin.
